

Asset Allocation Policy

Document ID: POL-001 | Version: 2.3 | Effective Date: January 1, 2024 | Owner: Finance & Operations

1. Purpose

This policy establishes the framework for allocating physical and digital assets to employees, departments, and projects within Acme Corp. It ensures equitable distribution, optimal utilization, and accountability for all organizational assets.

2. Scope

This policy applies to all full-time employees, part-time staff, contractors, and vendors who are assigned or use company assets. It covers hardware, software licenses, vehicles, office equipment, and any other tangible or intangible property owned by Acme Corp.

3. Asset Categories

Category A – High-Value Assets: Assets valued above \$5,000. Includes servers, specialized equipment, company vehicles, and enterprise software licenses.

Category B – Standard Assets: Assets valued between \$500 and \$4,999. Includes laptops, monitors, mobile phones, and mid-range peripherals.

Category C – Low-Value Assets: Assets valued below \$500. Includes keyboards, mice, headsets, and desk accessories.

4. Allocation Criteria

Asset allocation decisions are based on the following criteria:

- Job role and responsibilities of the requesting employee
- Department budget availability and approval
- Asset availability in the current inventory
- Justification provided by the line manager
- Historical asset usage and return rate of the employee

5. Request and Approval Process

Step 1: Employee submits an Asset Request Form (ARF) via the internal portal.

Step 2: Line manager reviews and approves or rejects the request within 3 business days.

Step 3: The IT/Operations team validates availability and schedules allocation.

Step 4: Employee signs the Asset Acknowledgment Form (AAF) upon receipt.

Step 5: Asset record is updated in the Asset Management System (AMS).

6. Responsibilities

Role	Responsibility
Employee	Report damage, loss, or theft within 24 hours
Line Manager	Approve/deny allocation requests; conduct quarterly asset audits
IT/Operations	Maintain asset inventory; process allocations and returns
Finance	Track asset depreciation; update asset register annually

7. Policy Violations

Misuse, unauthorized transfer, or failure to report lost/stolen assets may result in disciplinary action up to and including termination. Employees may also be held financially liable for negligent damage as determined by the HR and Finance departments.

8. Review Cycle

This policy is reviewed annually by the Finance and Operations team and updated as necessary to reflect changes in business needs, technology, or regulatory requirements.
